To Whom It May Concern:

SUBJECT: Aerosol Dispensers Directive

We hereby confirm that all aerosol units produced by CRC Industries UK Ltd. are manufactured in accordance with the requirements of European Directive 2008/47/EC.

This legislation updates and supersedes all previous European legislation covering safety requirements related to the manufacture, filling and labelling of aerosols, specifically Directive 94/1/EC and Directive 75/324/EC.

Yours Faithfully,

G. S. Tague
